

\$5,000 LEVEL

TOOLS	EXAMPLES	APPROX COST
General Workspace and	Storage boxes, tool cabinets,	\$1500
Safety Equipment	whiteboards, safety glasses, safety gloves,	
	aprons, dust masks, power strips,	
	extension cords, brooms, pencils,	
	markers, first aid kits	
Basic Mechanical Tools	Screwdrivers, hammers, wrenches,	\$750
	sockets, clamps, pliers, rulers, calipers,	
	tape measures, box cutters, hack saws,	
	scissors, wood saws, staple guns, vises	
Basic Power Tools	Drills and drivers, bits, jigsaws, orbital	\$1000
	sanders, circular saws, hot glue guns	
Basic Electronics Tools	Soldering irons, multimeters, wire cutters	\$750
	and crimpers, battery holders, alligator	
	clips, Arduinos	
Basic Textiles Tools	Sewing machines, fabric scissors, needles,	\$500
	bobbins, irons, pins	
Basic Consumables	Glue, tape, sandpaper, staples, blades,	\$500
	solder, thread, zip ties, batteries, wire,	
	LEDs, paintbrushes, wood, paper	

\$10,000 LEVEL

Includes everything at the \$5,000 Level, in addition to the following:

TOOLS	EXAMPLES	APPROX COST
General Workspace and	Digital cameras, iPads, additional	\$1000
Safety Equipment: Digital	workbenches and toolboxes, ShopVacs,	
Tools and Additions	first aid station	
Intermediate Mechanical	Hole saws, files, spade bits, additional	\$400
Tools	clamps, multi-style screwdrivers, ratchet	
	sets, PVC pipe cutters, pop riveters	
Intermediate Power Tools	Miter saws, additional drills and drivers,	\$500
	Dremel tools, hot wire foam cutters	
Intermediate Electronics	Heat guns, power sources, additional	\$400
Tools	soldering irons and stations, Arduinos	
Intermediate Textile Tools	Industrial sewing machines, sergers,	\$500
	pinking shears, embroidery needles,	

	quilting tools, rotary cutters, Lilypads	
Basic Prototyping Tools	Vinyl cutter	\$2000
Additional Consumables	Additional materials, PVC cement,	\$300
	conductive paint and thread, vinyl rolls	

\$15,000 and \$25,000 LEVEL

Includes everything at the \$10,000 Level, in addition to a selection of the following:

TOOLS	EXAMPLES	APPROX COST
General Workspace and	Welding masks, fire extinguishers	\$500
Safety Equipment:		
Advanced		
Advanced Power Tools	Drill press, table saw, desktop milling	Up to an additional
	machine, lathe, or CNC router	\$15,000
Basic Metalworking Tools	MIG or TIG welders	\$2000
Advanced Prototyping	3D printer and/or laser cutter (with	Up to an additional
Tools	appropriate ventilation systems)	\$15,000
Advanced Electronics and	Motors, sensors, servos	\$250
Robotics		
Additional Consumables	Additional materials, welding core, metal,	\$500
	wood, 3D printer plastic filament
