

# Field Guide Evidence Sorting

Spread out all the pieces of evidence you have for one of the Elements, and find examples to show how you have demonstrated the skill over time. Use the categories below to show your progress over time!

## Hatching

Look for the earliest piece of evidence you have for this Maker Element:

What did this Maker Element mean to you when this evidence was collected?

## Emerging

Look for the evidence that shows when you had started to improve, and starting to show progress:

What did this Maker Element mean to you when this evidence was collected?

## Soaring:

Look for the piece of evidence that shows what the Maker Element looks like when you are doing it best:

What does the Maker Element mean to you now?
