

Maker Ed

How Maker VISTA **MAKES** A Difference

Maker VISTA will work directly with schools and teachers to reach over **8,500 students** this year

Maker VISTA will provide **400+ teachers** with assistance including: locating resources and supplies, training, and support as they work to incorporate making into their classrooms

At Lighthouse Community Charter HS the % of students who score as advanced or proficient in Math has **increased by 21%** since partnering with Maker VISTA

87 percent of students at schools Maker VISTA partners with qualify for free or reduced lunch

DONATE Help us reach even more students and teachers
