Types of Maker Moments:

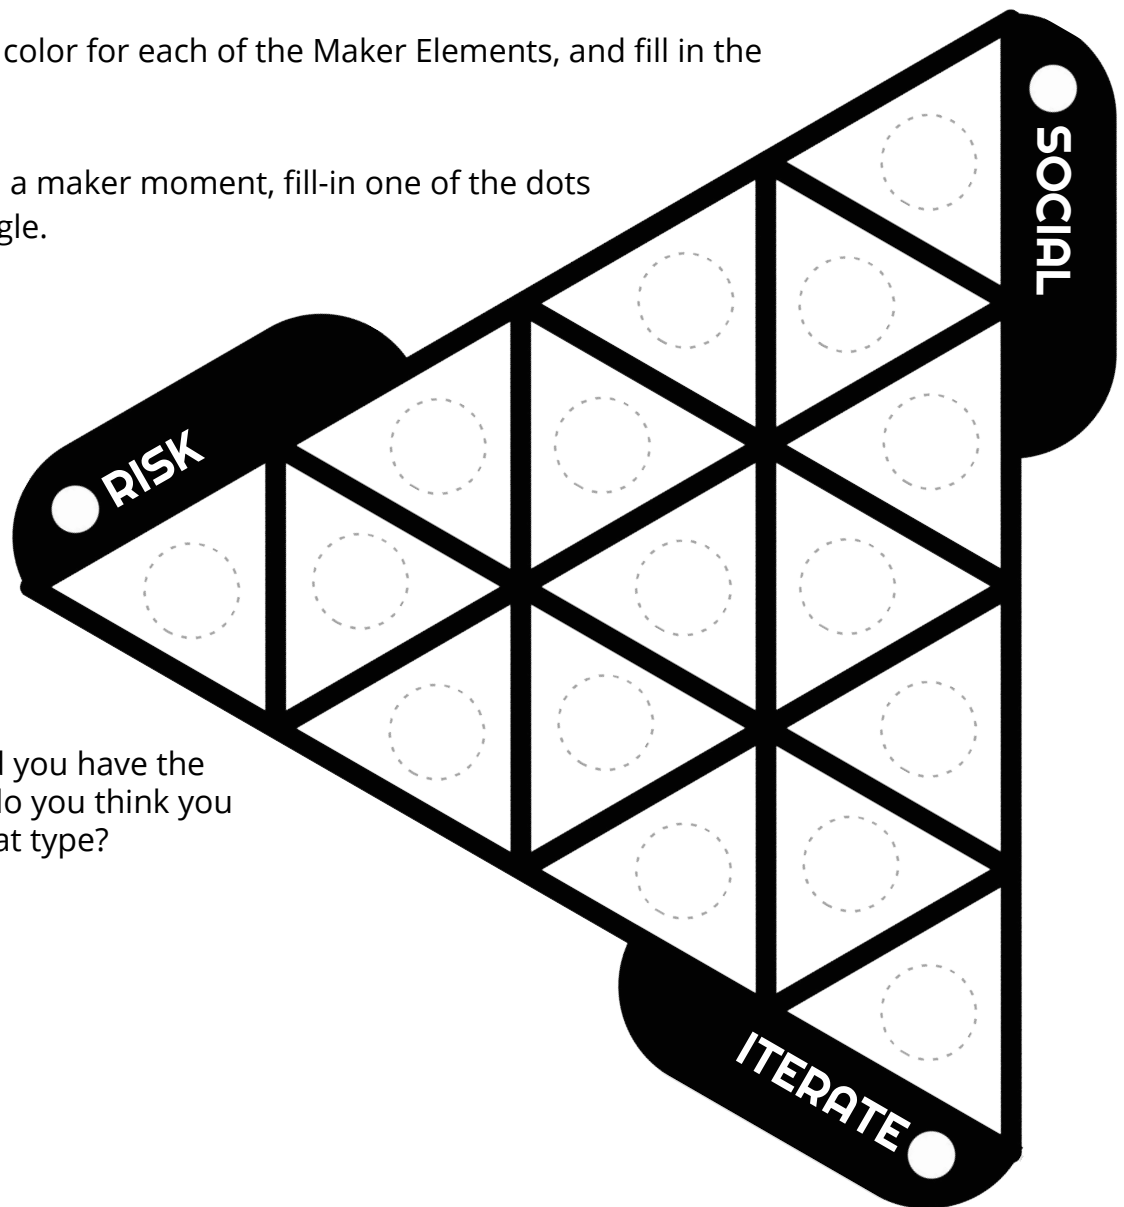

PRODUCTIVE RISK-TAKING: Try something you're not sure will work.

SOCIAL SCAFFOLDING: Learn from classmates, help them learn from you.

ITERATE: Improve your design after testing it out. (Part of the **Design Process**.)

Pick a different color for each of the Maker Elements, and fill in the dot next to it.

When you have a maker moment, fill-in one of the dots inside the triangle.

Which color did you have the most of? Why do you think you had most of that type?
